Transfer Form

This form is required for any guns that are being shipped to or from our store, prior to the gun being shipped. Please complete all fields below and send us a copy of this form. Our standard transfer fee is **\$20 per gun**. Shipping and handling is an additional **\$30 per gun**, and insurance is also available for an additional fee.

We will accept shipments of long guns from an individual who does not possess an FFL (handguns must be shipped from an FFL). They must provide a legible copy of their driver's license or other valid government-issued photo identification. We will not provide a copy of our FFL to a non-licensee; we will provide only the first and last digits needed for verification purposes, upon request.

If a gun arrives at our store and is not compliant, it will be returned to the sender at your cost.
